## CATHOLICCARE ARCHDIOCESE OF MELBOURNE REPRESENTATIVES' REPORT FOR THE YEAR ENDED 30 JUNE 2018

In respect of the financial year ended 30 June 2018, the Representatives of CatholicCare Archdiocese of Melbourne submit the following report made out in accordance with a resolution of Representatives:

### Representatives

The names of the representatives during the year ended 30 June 2018 are:

Mr John Sheldon, Chair	Ms Netty Horton - Appointed 13 November 2017
Mr Chris Braithwaite	Ms Bernadette Steele - Retired 28 November 2017
Mr Terry Healy	Mr Dennis Torpy
Professor Sandra Jones	Mr Kieran Walshe
Mr James McGarvey	Fr. Thang Vu
Ms Patricia Quigley - Retired 28 November 2017	Ms Beth McConnell - Appointed 17 January 2018

Unless otherwise stated, the above representatives have held office since the start of the financial year to the date of this report.

### Principal Activity

The principal activity of CatholicCare in the course of the year was that of a Public Benevolent Institution providing services to families, in all their diversity, but in particular those that are marginalised as a result of poverty, disadvantage and other barriers to social inclusion.

### Operating Result

Before bequests and property sale proceeds the operating result for the year was a surplus of \$38,213 (2017: surplus \$363,478). Including bequests and property sale proceeds the surplus was \$542,887 (2017: surplus \$1,831,150).

### Events subsequent to Balance Date

The representatives are not aware of any matter that has arisen since the end of the financial year that is not dealt with in the report or accounts that has or may significantly affect the operations of CatholicCare, the results of those operations or the state of affairs of CatholicCare in subsequent years.

### Significant Changes

No significant change in the nature of these activities occurred during the year.

### Representatives' Benefits

No representative has, during the course of the financial year received or become entitled to receive a benefit by reason of a contract made by CatholicCare with a Representative or with a firm of which he or she is a member, or with a company in which he or she has a substantial interest.

For and on behalf of CatholicCare Representatives:

John Sheldon  
REPRESENTATIVE  
Melbourne, 29 August 2018

Chris Braithwaite  
REPRESENTATIVE  
Melbourne, 29 August 2018

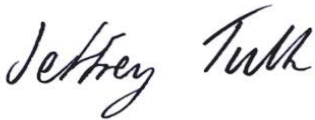

**CatholicCare Archdiocese of Melbourne**

ABN: 42 795 179 778

**Auditors Independence Declaration to the Directors of CatholicCare Archdiocese of Melbourne**

I declare that, to the best of my knowledge and belief, during the year ended 30 June 2018, there have been:

- (i) no contraventions of the auditor independence requirements as set out in Section 60.40 of the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

## Notes to the Financial Statements

For the Year Ended 30 June 2018

The financial report covers CatholicCare Archdiocese of Melbourne as an individual entity. CatholicCare is a registered not-for-profit entity with the Australian Charities and Not-for-profits Commission.

### 1 Basis of Preparation

In the opinion of CatholicCare representatives, CatholicCare is not a reporting entity since there are no users dependent on a general purpose financial report. This special purpose financial report has been prepared to meet the reporting requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

The financial statements have been prepared in accordance with the requirements of AASB 101 *Presentation of Financial Statements*, AASB 107 *Statement of Cash Flows*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and AASB 1054 *Australian Additional Disclosures*.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

#### Summary of Significant Accounting Policies

##### (a) Income Tax

CatholicCare is exempt from Australian income tax being a charitable institution under Division 50 of the Income Tax Assessment Act 1997. CatholicCare is also registered with the Australian Charities and Not-for-profits Commission.

##### (b) Operating Leases

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreement so as to reflect the risks and benefits incidental to ownership.

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses and recognised in profit or loss in the periods in which they are incurred.

##### (c) Revenue Recognition

Grant revenue is recognised in the statement of profit or loss when it is controlled unless there are conditions attached to grant revenue relating to the use of those grants for specific purposes it is recognised in the statement of financial position as a liability until such conditions are met or services provided.

Donations and bequests are recognised as revenue when received.

Investment income is brought to account as it is received or receivable.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

# CatholicCare Archdiocese of Melbourne

ABN: 42 795 179 778

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### Summary of Significant Accounting Policies

#### (d) Income Received in Advance

CatholicCare receives grant monies to fund projects either for contracted periods of time or for specific projects. It is the policy of CatholicCare to treat grant monies as income received in advance in the statement of financial position where CatholicCare is contractually obliged to provide the services in a subsequent financial period to when the grant is received or in the case of specific project grants where the project has not been completed.

#### (e) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

#### (f) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

##### Land and buildings

Freehold land and buildings are measure at fair value. The carrying amount of each asset is periodically reviewed to ensure that it does not differ materially from the asset's fair value. Where necessary, the asset is revalued to reflect its fair value.

##### Plant and equipment

Plant and equipment are measured using the cost model.

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### Summary of Significant Accounting Policies

#### (f) Property, plant and equipment

##### Depreciation

Depreciation is calculated on a straight line basis so as to write off the cost of each fixed asset during its estimated useful life from the time the asset is held ready for use. Leasehold Improvements are amortised over the period of the lease.

Leased assets and leasehold improvements are amortised over the shorter of either the unexpired period of the lease or their estimated useful life.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Motor Vehicles	22.5%
Plant and equipment	15 - 33%
Leasehold improvements	10 - 20%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

#### (g) Financial instruments

Financial instruments are recognised initially using trade date accounting, i.e. on the date that CatholicCare becomes party to the contractual provisions of the instrument. On initial recognition, all financial instruments are measured at fair value plus transaction costs

##### (i) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting period. All other loans and receivables are classified as non-current assets.

##### (ii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the Group's intention to hold these investments to maturity. They are subsequently measured at amortised cost.

Held-to-maturity investments are included in non-current assets, except for those which are expected to be realised within 12 months after the end of the reporting period. (All other investments are classified as current assets).

Available-for-sale financial assets are included in non-current assets, except for those which are expected to be disposed of within 12 months after the end of the reporting period, which will be classified as current assets.

##### Impairment

At the end of each reporting period, the Group assesses whether there is objective evidence that a financial instrument has

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### Summary of Significant Accounting Policies

**(g) Financial instruments**

been impaired. Impairment losses are recognised in the statement of profit or loss.

*Derecognition*

Financial assets are derecognised where the contractual right to receipt of cash flows expires or the asset is transferred to another party whereby the Group no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expire. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in the statement of profit or loss.

**(h) Comparative figures**

Where required by Australian Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

**(i) Cash and cash equivalents**

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

**(j) Employee benefits**

Provision is made for the entity's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits expected to be settled more than twelve months after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits.

## 2 Critical Accounting Estimates and Judgments

CatholicCare evaluates estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within CatholicCare.

*Income received in advance*

CatholicCare receives grant monies to fund projects either for contracted periods of time or for specific projects. It is the policy of CatholicCare to treat grant monies as income received in advance in the statement of financial position where CatholicCare is obliged to provide the services in a subsequent financial period to when the grant is received or in the case of specific project grants where the project has not been completed.

## DECLARATION BY CATHOLICCARE REPRESENTATIVES

The Representatives have determined that CatholicCare is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The Representatives declare that:

1. The financial statements and attached notes, as set out on pages 3 to 16 of this document are in accordance with the Australian Charities and Not-for-profits Commission Act 2012, including:
  - a. giving a true and fair view of CatholicCare's financial position as at 30 June 2018 and its performance for the financial year ended on that date, and
  - b. complying with the accounting policies as outlined in Note 1 and the Australian Charities and Not-for-profits Commission Regulation 2013; and
2. there are reasonable grounds to believe that CatholicCare will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board and signed for and on behalf of the Board by:

**Independent Audit Report to the members of CatholicCare Archdiocese of Melbourne****Report on the Audit of the Financial Report****Opinion**

We have audited the accompanying financial report, being a special purpose financial report of CatholicCare Archdiocese of Melbourne (the entity), which comprises the statement of financial position as at 30 June 2018, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the declaration by CatholicCare representatives.

In our opinion, the accompanying financial report of the entity is in accordance with the Division 60 of the *Australian Charities and Not-For-Profit Commission Act 2012* including:

- (i) giving a true and fair view of the entity's financial position as at 30 June 2018 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1 and division 60 of the *Australian Charities for Not-For-Profit Commission Regulations 2013*.

**Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the entity in accordance with the auditor independence requirements of the *Australian Charities and Not-For-Profit Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter - Basis of Accounting**

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Australian Charities and Not-For-Profit Commission Act 2012*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

**Responsibilities of Directors for the Financial Report**

The directors of the entity are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Australian Charities and Not-For-Profit Commission Act 2012* and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

**Independent Audit Report to the members of CatholicCare Archdiocese of Melbourne****Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

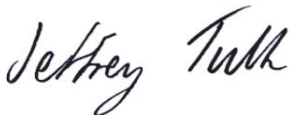

As part of an audit in accordance with Australian Auditing Standard, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of the entity's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
