### Strengthening father and child relationships

CatholicCare invites refugee dads from a range of communities to bring along one of their children between the ages of 8–16 for a FREE fantastic weekend experience - which acknowledges and celebrates the importance of a father in a child's life.

Our weekend away provides fun activities for dads and kids to enjoy together, in a relaxed setting, where open discussions can be had and fathers can spend quality one-on-one time with their child.

Discussions include:

- Respecting traditional cultures
- The challenges and differences between parenting in the country of origin and parenting in Australia
- Ways to strengthen the father-child relationship
- Understanding each other's strengths

These weekend camps always receive great feedback. Most importantly, you enjoy a memorable experience together!
